## Track 1: Psalm 121

Lyrics:

I lift my eyes to the hillside  
Where does my help come from?  
From the Lord who made the universe  
By the power of his voice

You are my creator  
And it draws me to praise

Woah  
You are the shelter  
My soul longs for  
Lord, I will worship  
You in the storm

When the sun beats down on me  
In this dry and desert land  
Lord, You provide a covering  
In the shadow of Your hand

You are my protector  
And it draws me to praise

Oh, you never fail  
You're the Lord of creation  
Rock of salvation  
Oh, you hold our lives  
Let every tongue, every nation  
Lift up your praise, singing

## Track 2: Abandon

Lyrics:

Abandon! Abandon!

Clap your hands, stomp your feet  
The Lord of the earth is here in this place  
Sing and shout, make it loud  
Abandon yourself and worship His name

All glory all power  
Unto the King of Heaven  
Surrender your heart to Christ  
Give Him all your worship  
All glory all power  
Praise to the Lord forevermore  
Abandon your heart tonight

Abandon! Abandon!

Great in love, great in grace  
Great in compassion, this is our King  
Raise your voice, make some noise  
Join with Creation in singing His praise

All glory all power  
Unto the King of Heaven  
Surrender your heart to Christ  
Give Him all your worship  
All glory all power  
Praise to the Lord forevermore  
Abandon your heart tonight

### Track 3: Whatever May Come

Lyrics:

You hold creation in Your hand  
You have a good and perfect plan  
No other one will ever do  
I give my life to follow You

I will run  
I will follow You  
'Til You call me home  
I won't turn back  
Whatever may come

You are the Maker of the stars  
The sovereign Keeper of my heart  
No other love will ever do  
I give my life to follow You – I'll follow You

I will run  
I will follow You  
'Til You call me home  
I won't turn back  
Whatever may come  
I will shout  
I will sing Your praise  
With all my strength  
I won't turn back  
Whatever may come

Whatever may come (I live to honor You)  
Whatever may come (My heart will seek Your truth)  
Whatever may come (Great is Your faithfulness)  
Whatever may come

We will run  
We will follow You  
'Til You call us home  
We won't turn back  
Whatever may come  
We will shout  
We will sing Your praise  
With all our strength  
We won't turn back  
Whatever may come

#### **Track 4: The Miracle**

Lyrics:

Hallelujah! It's a miracle, a miracle

The stone has been rolled away  
There's nothing but an empty grave  
In the place where His body lay

Let the dead find life in the saving grace of Jesus  
He conquered sin and grace to set us free  
All the saints now singing

Hallelujah! It's a miracle, a miracle  
Jesus has risen  
He has risen from the dead

Now, the Lamb has become the Lion  
And darkness trembles at His sight  
Behold, the resurrected Jesus Christ!

Father, Thy Kingdom come  
Thy will be done on earth and heaven  
Oh Lord, Thy Kingdom come  
Thy will be done on earth and heaven

## Track 5: Safe and Secure

Lyrics:

Through Him the earth was made  
Creation sings His praise  
His majesty surrounds us  
In Him the lost are saved  
In Him the dead are raised  
The children of a promise

In His love, He made a way  
Let the church of God proclaim

There is hope, there is power in Jesus Christ  
Let His love offer rest for your soul  
Stand assured, His salvation will never fail  
Sing it loud, we are found in the name of Jesus

If you're a slave to sin, if you are suffering  
Lift your hands in surrender  
Come, let Him shelter you  
For He makes all things new  
He is great in compassion

There is an anchor for our souls  
He is the holy one  
Safe and secure our hope is found  
In our Saviour

## Track 6: Beautiful King

Lyrics:

Oh, our beautiful King  
Our salvation is in Your Name  
Oh, our beautiful Savior  
As the saints we declare Your fame

Lord, You never let us down  
You will never let us go  
You are faithful in battle, You alone  
Are worthy of honor all glory and praise  
Jesus forever we will sing  
Our heart and mind and strength are Yours

Oh, our beautiful King  
Seated on the throne, You reign  
Oh, our beautiful Savior  
Age to age, You remain the same

Beautiful King  
Ruler over everything  
We worship as an offering  
Jesus we surrender all

## Track 7: Unrelenting Love

Lyrics:

You are the one who gave this world a source of light  
One to light the sky, and one to light our lives  
You are the One who took on flesh to set us free from all our sin  
And awaken in our hearts the love of Christ

You are the unrelenting love  
The breaker of all chains  
Our shelter from above  
You are the lamb who was slain  
The maker of the stars  
You turn the night to day  
The everlasting Father  
Who gave his love away

With arms stretched wide you welcome the broken in  
With arms stretched wide you died for all my sin  
You took the bullet you bore my shame  
You were slain and buried but rose again  
And now I live in the light of the saved my purpose to proclaim

I will run to you  
I will run to you  
I will run to you  
You are the source of truth

## **Track 8: This is Jesus**

Lyrics:

This is Jesus, see His majesty  
Kings and nations worship at His feet

Hallelujah  
Holy, holy, amen  
Jesus Christ is Lord  
He saves the souls of men

Sing Hosanna to Immanuel  
He has risen, risen from the dead

Word of the living God  
Hope of a desperate world  
All glory and honor, strength and  
Power belongs to You, our Savior

## Track 9: Won Me Over

Lyrics:

Surrendered your body slain upon that tree  
My heart faints to think you'd give your life for me

The cross has spoken  
My chains are broken  
Your love has won me over  
Now I stand forgiven  
Of all my sin  
For your love has won me over

The wrath of the Father borne upon your shoulders  
Your life laid our debt paid all to the glory of your name

King of kings risen Lamb  
Strength and power in your hand  
You're the Lord of our salvation  
Let our hearts give you praise  
Every hour of every day  
Singing worthy is the name of Jesus

## Track 10: Son of God

Lyrics:

Your throne O God is forever  
In righteousness You reign  
Sustaining all of Creation  
By the power of Your Name

The radiance of the glory of God  
And the perfect image of His being

So we lift our hands and raise our voice  
To glorify the King  
The One who is and is to come  
To you alone we sing  
Son of God you reign

You are the Heir of all  
Forever our High Priest  
The Author of salvation  
The perfect Lamb who was slain

Enthroned you sit at the right hand of God  
As the angels sing praises without end

To You be the glory  
To You and You only  
Your reign is forevermore

Though stars will fall and this world will fade  
Still Jesus You alone remain
